BACKGROUND

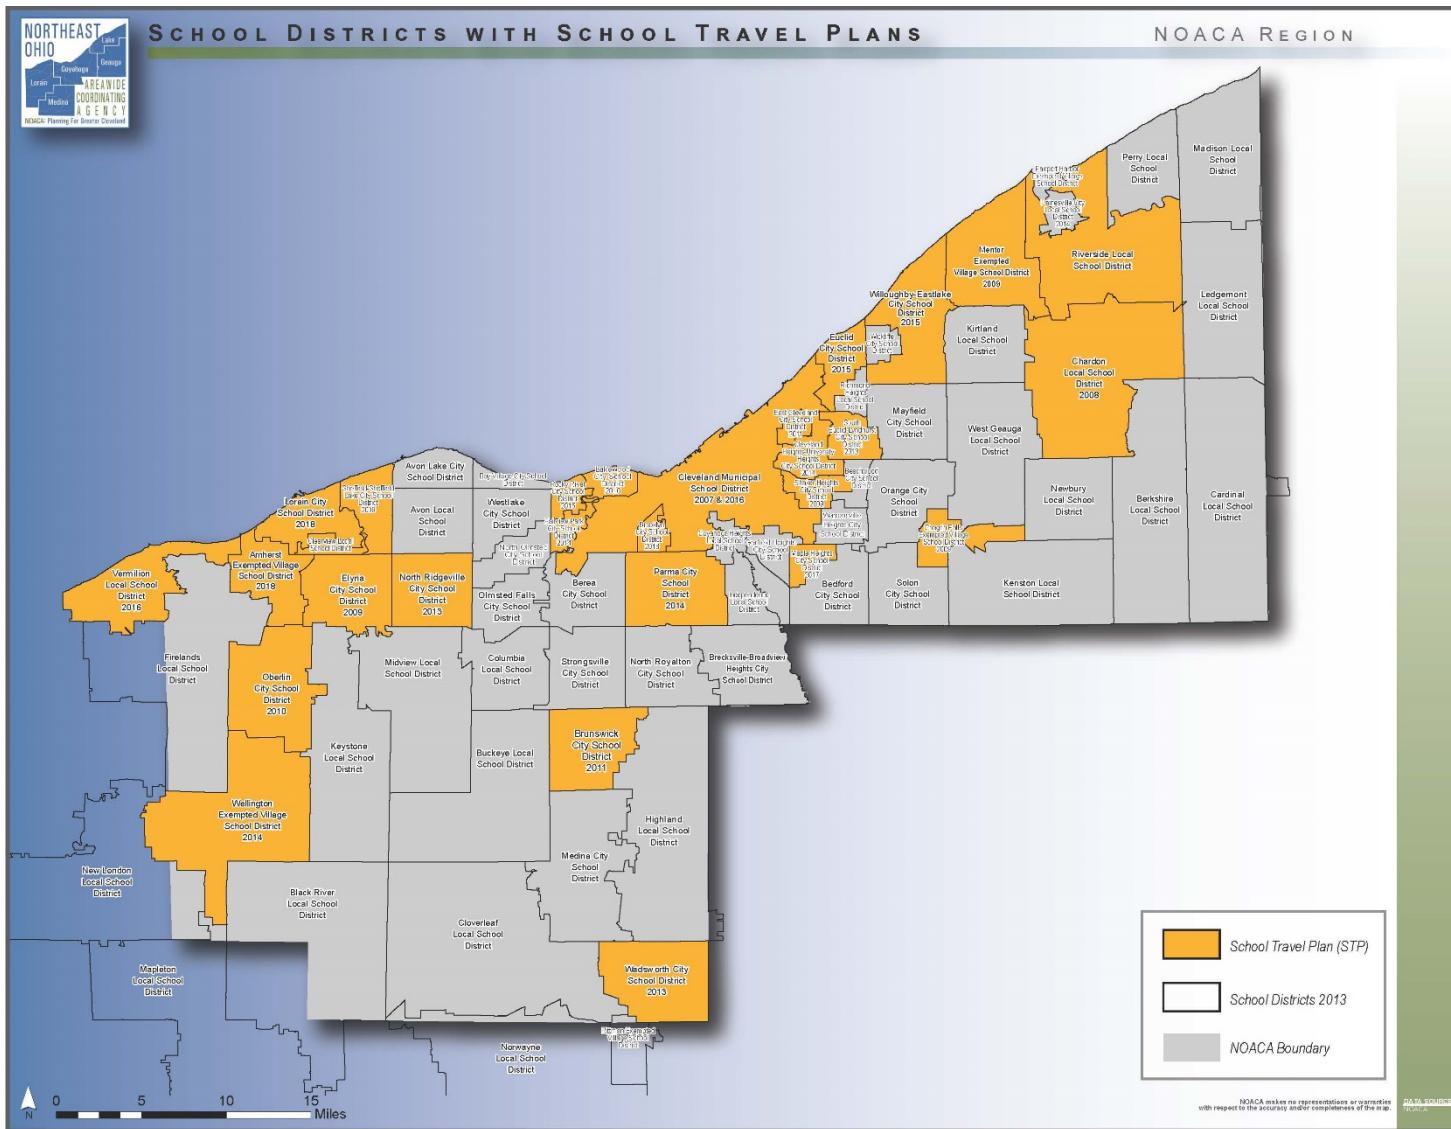

Safe Routes to School (SRTS) is an international, national and state program focusing on improving safety, access, and conditions for kids and families to walk and bike to school.

- Planning, infrastructure, and non-infrastructure are supported
- ODOT awards up to \$4 million annually for K-8 schools
- Resources include education, training, and support material

BACKGROUND

- **72 Districts** representing 799 Public & Non-Public Schools
- **28 with STPs** developed representing 168 Schools
- **Over \$10 million dollars awarded** to NOACA communities between 2007-2018

BACKGROUND

Basic NOACA SRTS Assistance

- Represent on school travel plan (STP) development, update and implementation teams;
- Assist with Schoolpool and NOACA Street Supplies program implementation;
- Encourage participation in the Northeast Ohio Safe Routes to School (NEO SRTS) Coalition;
- Promote safety, implementation and planning workshops and training;
- Share information through SRTS NOACA communication; and
- Support ODOT Safe Routes to School and other funding applications.

BACKGROUND

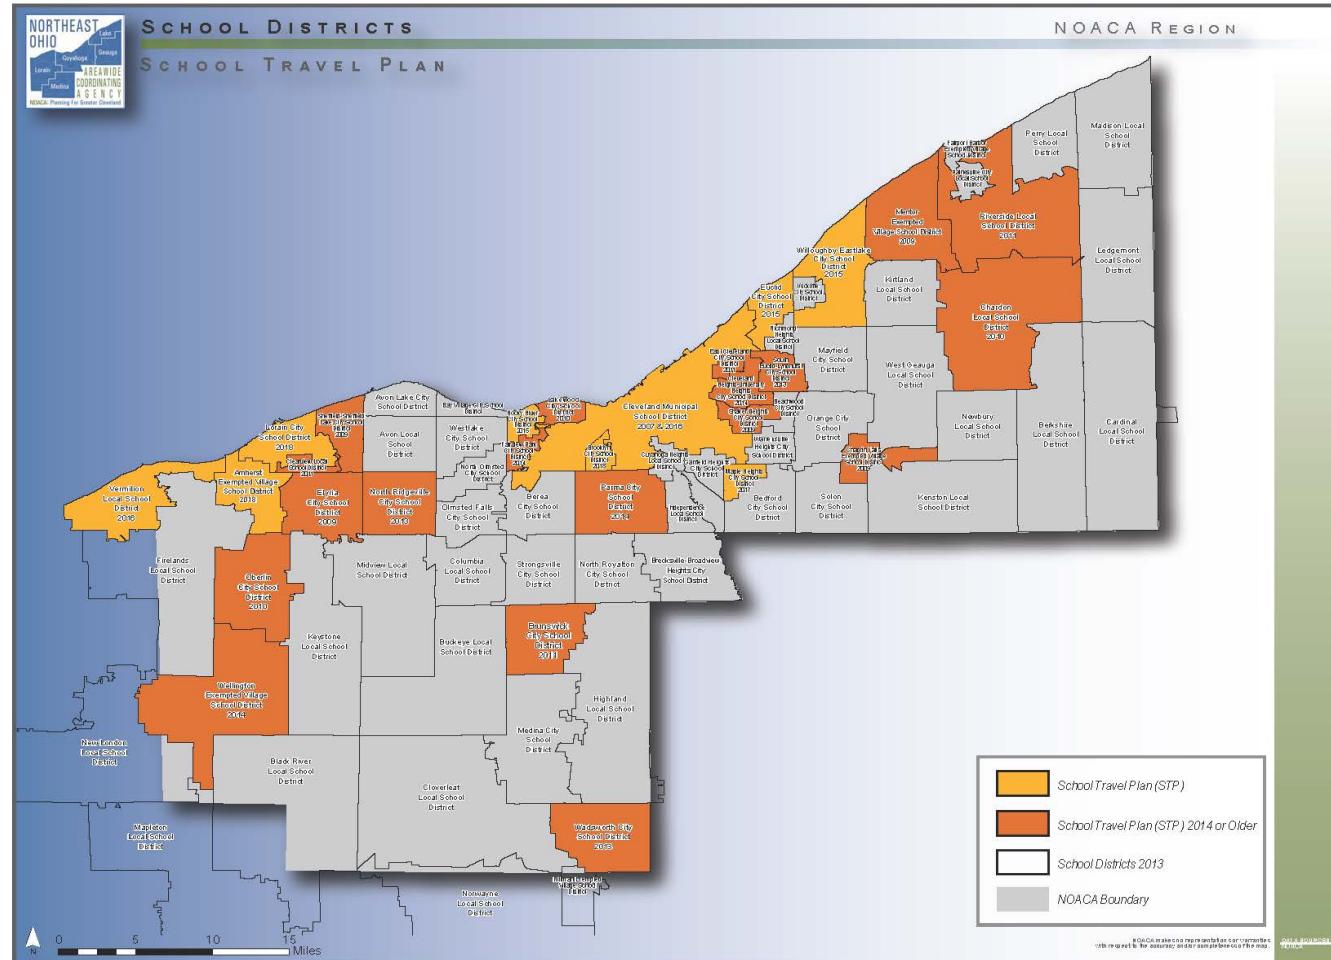

Enhanced assistance may include:

- Assist with specific STP development or update elements;
- Facilitate stakeholder and public meetings;
- Lead development of STP and submit to Ohio Department of Transportation for approval.

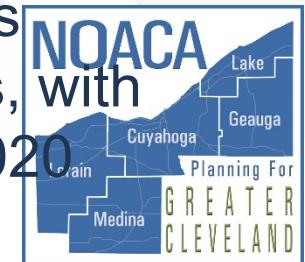

BACKGROUND
